

# Georgia Geographic Information System Coordinating Committee - Executive Committee

January 18<sup>th</sup>, 2017

## Agenda

### Georgia Department of Community Affairs

---

60 Executive Park South, Atlanta, GA 30329

"The vision of the GISCC is for all levels of government to become highly effective and efficient through the coordination and use of geospatially-related data, standards and technologies."

The mission of the GISCC is to provide statewide guidance on sustainable geospatial governance, investments, policies and data -driven decisions influencing the State of Georgia."

Source: Bylaws of the GISCC
