

# Agenda

---

*The Georgia GISCC's vision is that all levels of government become highly effective and efficient through the coordination and use of geospatially-related data, standards and technologies. The GISCC's mission is to be a valued advisor on sustainable geospatial governance, investments, policies and data-driven decisions influencing Georgia.*

**November 19, 2014**

Call to order

Thought for Today

Tell me and I forget. Teach me and I remember. Involve me and I learn...

Benjamin Franklin
