

# Meeting Minutes - DRAFT

---

*August 20, 2014*

- Call to order at: 1:30 PM
- Introductions –
- Approval of Minutes: Chris Chalmers made a motion to approve the July meeting minutes. Natalie Culpepper seconded the motion and meeting minutes were approved by majority.
- Presentation: Matt Hauer, with Carl Vinson Institute's Applied Demography Program
  - Gave an overview of some of the projects that he has been working on within the state as a demographer. Vital Statistic data (fertility rates), population projections(impact of race through population changes), evacuation statistics using the Fukushima incident, 3D geo-visualizations looking at historic housing changes by census blocks, coastal Ga at risk populations of sea level rise (this was also done on a national level).
- Committee Reports:
  - SP&P: Nick Kouloungis- No Report
  - Frame work: Scott Bales- LiDar status report in conjunction with the grant opportunity through USGS for funding more LiDar coverage for the state.
  - Education and Outreach: Paula Edwards- No Report
  - Website: Siva- No Report
  - Regional Commission Member: Tim Maguire- No Report
  - GDOT Representative: Tim Poe- No Report
- Chairman Executive Committee Report: Discussed the GIO progress. Hoping that the GIO will be in place sometime around the end of the year. November meeting will be in Macon. Will be in Charleston next month for NISGIC, so Hunter will be filling in. GISCC meetings were not historically held in July and December. Also announced a community rating system workshop will be held in Savannah August 28, 2014.

- Current Business: Chris Chalmers mentioned NOAA is putting together an effort to fly LiDar in the Tift/Lowndes area. Nick Kouloungis mentioned that MGRC wants to take liDar that is available in middle GA and showcase it to educate about how and what liDar is.
- Announcements and Public Comments:
- Adjournment: Chris Chalmers made a motion to adjourn the meeting, Nick Kouloungis seconded the motion and the meeting was adjourned.
